

# LIQUID CONCENTRATE 600ML BOTTLE

PART NUMBER: LC10 + FLAVOUR

## DESCRIPTION

THORZT is a great tasting, scientifically proven mix of cutting-edge branch chain amino acids and low GI carbohydrates (sucrose, dextrose, fructose and maltodextrin) to give a sustained release of energy without giving the harmful, high “sugar spike” found in many alternative drinks, combined with a formulated blend of electrolytes for optimum hydration in harsh Australian conditions, and the new addition of B and C group vitamins.

Designed to maintain mind and body function at a cellular level, THORZT can boost your physical and mental potential, relieve muscle pain, cramps and spasms, reduce anxiety and sleep disturbance and improve the body’s stress response.
