

OIL & GAS SMOKE

FPR824

Interchangeable Elastic strap

GENERAL DESCRIPTION

The Force360 Force Performance Range (FPR) of safety eyewear introduces OIL & GAS. The OIL & GAS has been designed to cater to the vigours of the offshore, mining, construction and petrochemical industries.

KEY TECHNOLOGY

LENS OPTIONS

ADDITIONAL FEATURES

- ▶ Durable and resilient polycarbonate lens and sidearm construction
- ▶ The supplied elastic strap with quick release clip can be interchanged with the sidearms, converting the spectacle into a goggle
- ▶ Indirect ventilation and soft foam padding provide dust protection whilst allowing good air circulation
- ▶ Base 9 curve provides perfect optical clarity and an extended wrap for increased side protection

RADIATION GUIDE

UVA/UVB 280-380nm	UV light rays from the sun are invisible to the eye yet can cause serious damage including corneal blistering, cataracts, premature aging, conjunctivitis and partial blindness
Visible Light 380-780nm	Intense visual bright light can cause retina damage and create visual perception issues
Blue Light 380-500nm	Blue light rays from the sun or artificial lighting like neons, cause eye strain and fatigue. Colours and definition can be adversely affected. In extreme cases blindness can occur
Infra Red Light 780-1400nm	Infra Red rays from the sun or mechanically heat generating applications like gas welding can cause eye dryness and corneal damage, macular degeneration and blindness

STANDARDS & CERTIFICATION

Force360 source their entire FPR of safety eyewear from a single manufacturing partner to ensure consistency and reliability of product. Most importantly Force360 have taken the further step by engaging SAI Global to periodically audit and certify both the manufacturing process and the products. All of Force360's FPR safety spectacles are certified to AS/NZS 1337. All of Force360 FPR safety spectacles are medium impact approved under the AS/NZS 1337. For Certified Australian Standard protection, only wear eyewear with the Red Tick Tower.

For test certificate or further information please contact techinfo@force360.com.au. To request a sample or representative visit please contact sales@force360.com.au
