DOWP - Provek Coveralls

FEATURES AND BENEFITS

Approved for asbestos	The Provek disposable coveralls are designed specifically for workers involved in the stripping, clean up and handling of asbestos and are approved to type 5 and type 6 protection under European standards for Chemical Protective Clothing Category III.
Lightweight	ProChoice ProVek coveralls are lightweight and soft with 2-ply strength, providing a barrier to dust and a broad range of chemicals.
Two Way Zipper	A handy two way zipper allows ready access to clothing underneath while providing excellent dust exclusion.
Availability	Available in sizes small up to 3XL.

PROTECTIVE WORKWEAR

If you're working with hazardous materials, dirty products, hot metals or in the rain, it is important that you wear appropriate protective clothing.

The correct protection for the job will protect your skin and clothing from the elements, heat, abrasion, irritation, cuts and staining. ProChoice has a complete range of protective workwear to suit any workplace requirements.
